The Re-commissioning Team realizes that the efforts of the Roman Catholic Churches of Western Broome have the potential to change. It will not be easy, but the outcome can be a potential for growth if we let it happen within our parishes and our hearts.

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus".

"I can do all things through him who strengthens me."

Philippians 4:6-7, 13

Thank you for your time.
